Dear Sir:

Applicants have reviewed the charge of \$330 for this application which appears on the March 2007 Monthly Deposit Account Statement. A copy of the Statement is attached. The fee code on the Statement indicates second-month extension fees which had not been paid. However, Applicant asserts that one one-month of extension fees was due and was paid at the time of filing. A Final Office Action was issued on October 23, 2006. A priority response was submitted on December 22, 2006. Then an Advisory Action was issued on January 29, 2007. Because the Advisory Action was issued after the three-month deadline and because a priority response was submitted, the one-month extension deadline became February 28, 2007. Applicants filed an RCE and amendment on February 28, 2007, thus meeting the one-month extension deadline. Applicants charged \$120 for one month of extension fees at the time of

filing the RCE to the Deposit Account, and the charge is dated March 1 on the same Deposit Account Statement. Therefore, no additional extension fees were due, and Applicants hereby request that Deposit Account 50-0413 be credited in the amount of \$330.

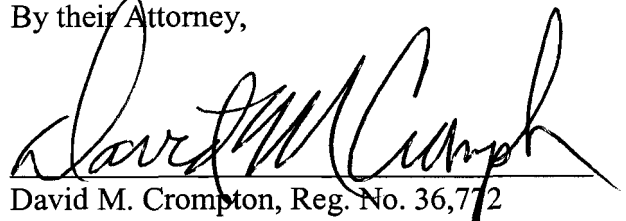

Respectfully submitted,

Brian R. Reynolds et al.

By their Attorney,
